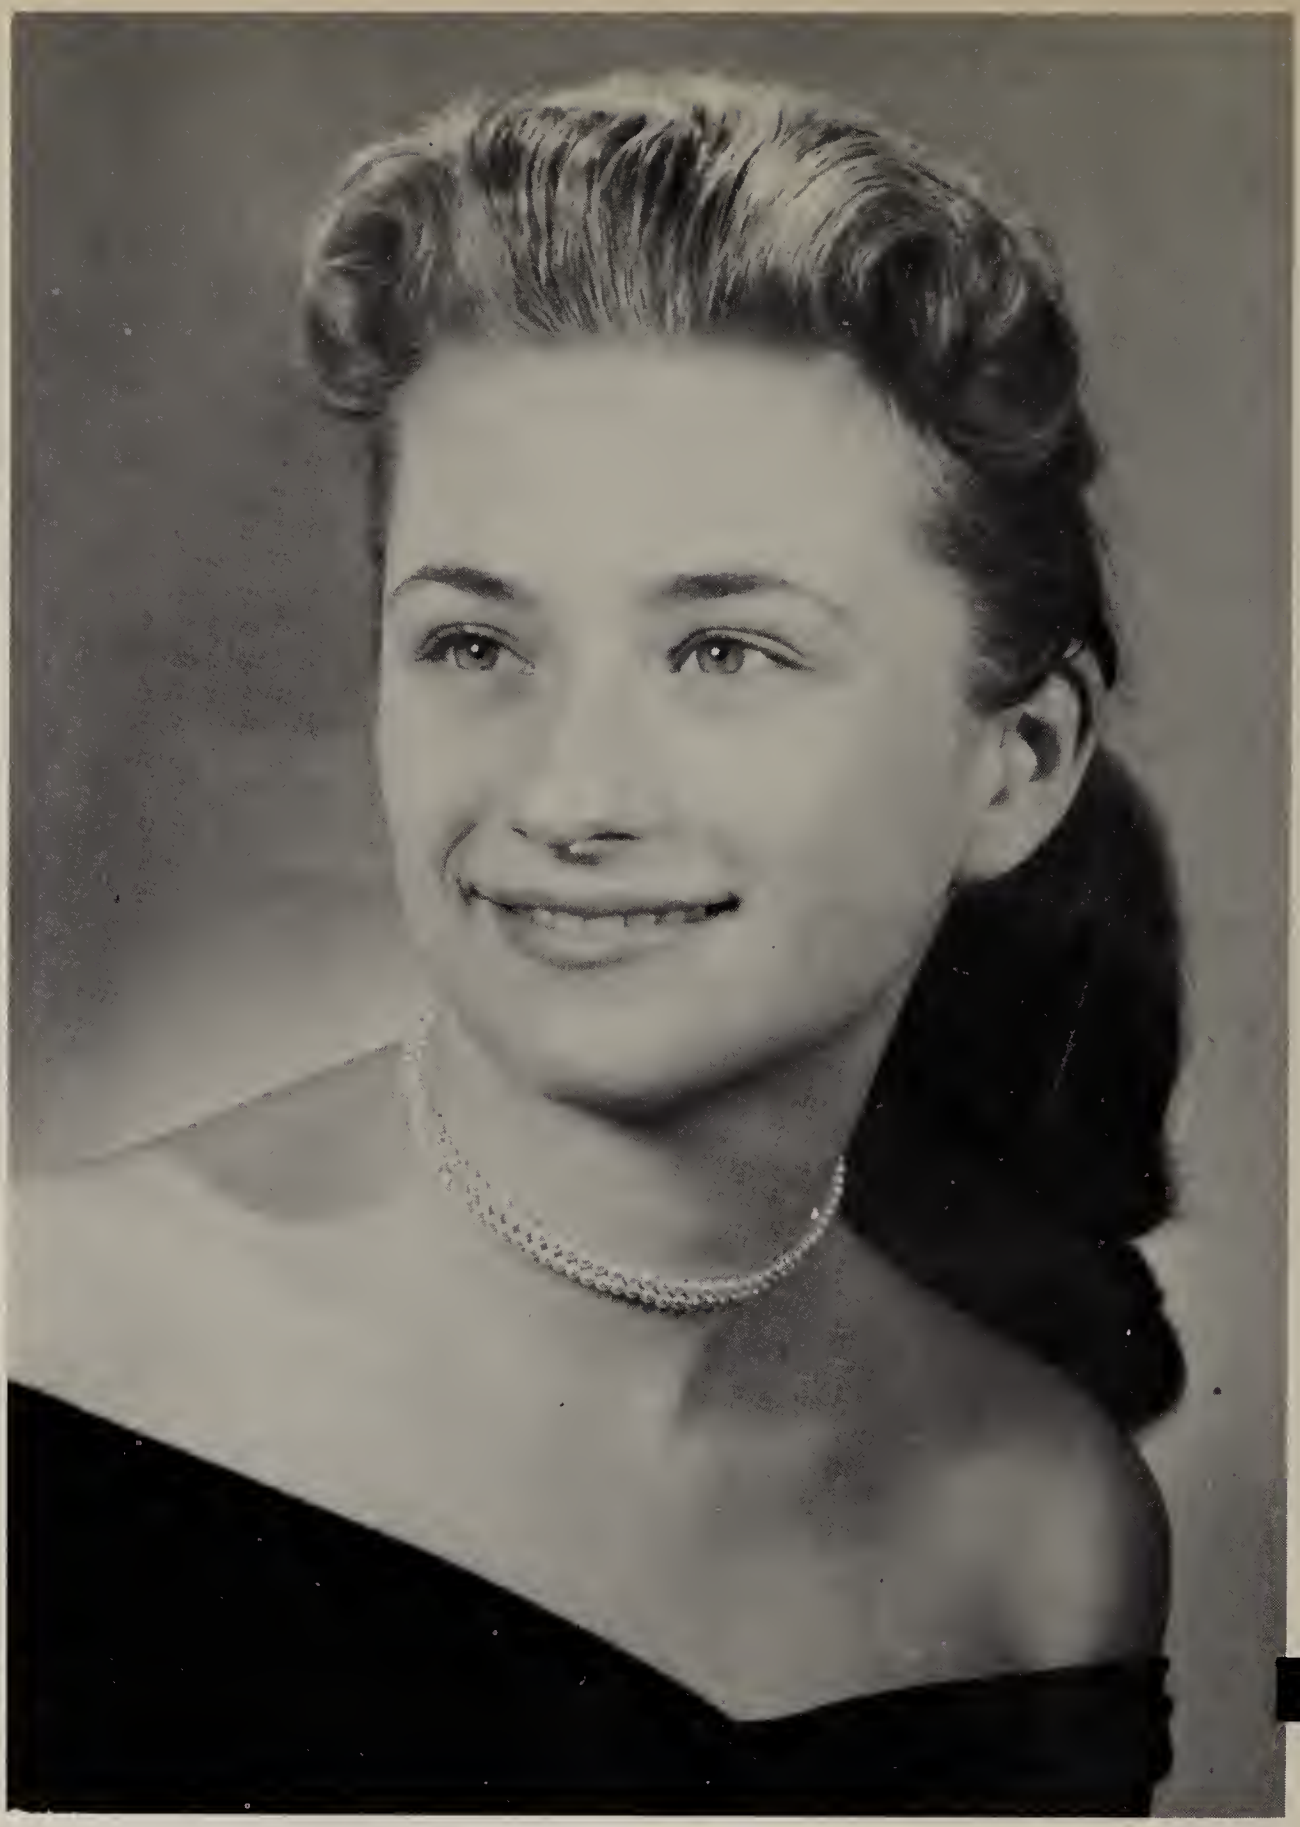
ORGANIZATIONS



Dear Student Body,

I feel very honored and very privileged to have been elected as your president. I have had many interesting and valuable experiences during the past year, including being able to attend the State Student Council Convention and the Governor's Youth General Assembly. I realize that it is a great responsibility to be elected to this, the highest office a student may hold; and I only hope that the Council has been able to please you and to make Madison Heights a better school. Thank you for giving me such a wonderful opportunity.

Sincerely,

Judy Webb

SAYONNARA

The gymnasium of the C.I.O. Hall was transformed into an Oriental ballroom for the Junior-Senior Prom on May 19, 1961. This spacious hall was dominated by countless couples who danced to the musical arrangements provided by the Starlighters band.

The exotic evening was highlighted by the crowning of Ann Skinner as the 1961 Prom Queen. Sherry Dickey and Darlene Jacques had the honor of attending the Queen throughout the festivities of the evening.

Elsie?

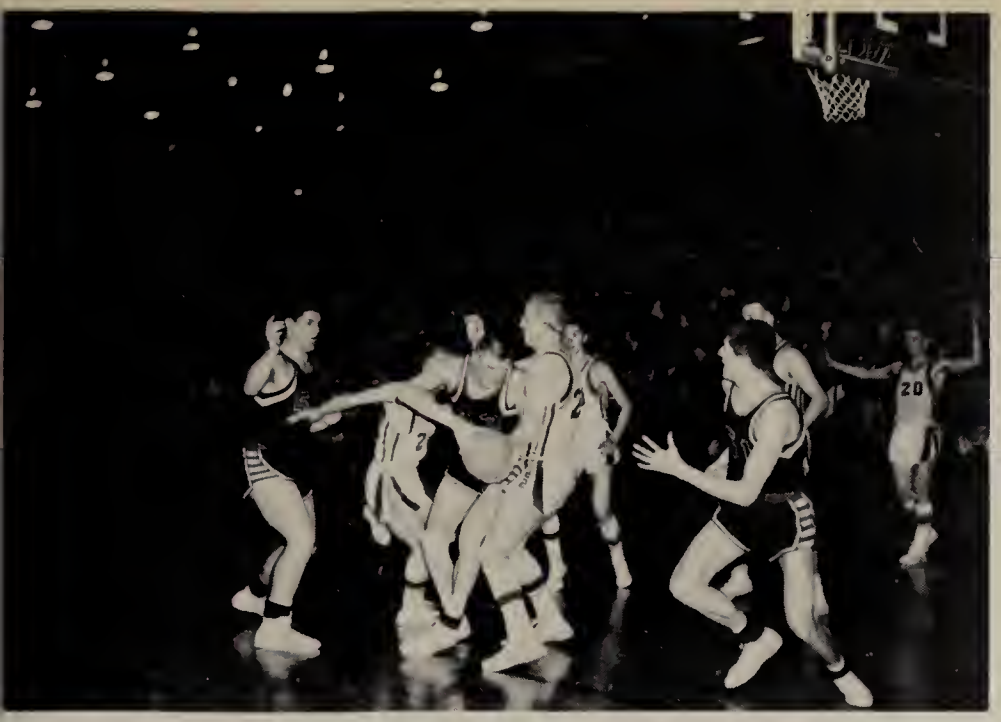
Harold Russell, a double-amputee from World War II, was one of the many interesting convocation speakers.

A chalk-talk artist.

The candidates for Mr. Black and Miss Scarlet were seniors, Jerry Bragg and Janice Anderson; juniors, Doug Wood and Sherry Dickey; sophomores, Dick Minneman and Sandy McCormick; and freshmen, Mike Gallamore and Susie Sneider. From these candidates the student body chose Jerry Bragg as Mr. Black and Sherry Dickey as Miss Scarlet. They were crowned at the pep session prior to our first Sectional game. They reigned over the festivities during Scarlet and Black Week.

SCARLET

The Junior Class float, one of many displayed during Scarlet and Black Week, took top honors along with two other floats.



Larry King finds maneuvering difficult amidst three defenders.

Shipley out races lone defender for easy bucket.

AND BLACK WEEK

Let It Snow--When a power failure "blacked out" the Madison Heights gym during the Sectional, Some of the cagers passed the time with a game of checkers.

When one thinks back to the sectional of 1961, he may think of excitement, enthusiasm, disappointment, sportsmanship, power failure, or snow. Every one of these things played an important role at one time or another to the students and players of M. H.

The excitement was portrayed during Red and Black Week with the colorful floats and spirited pep sessions. The enthusiasm took place in the Frankton game, won by the Pirates 68-67. The disappointment followed in the loss to Elwood 80-76. Sportsmanship was shown by the players and students throughout the sectional. The unexpected snowfall brought on power failure and one of the most spirited pep sessions ever witnessed in school history. The snow also left many people stranded in the gym for the night. Even though the Bucs weren't victorious, it will go down as one of the best sectionals yet.

Halfback

The Pirates, hampered by loss of players through graduation, had many holes to fill in this year's starting line up. The job of rebuilding the team was left up to Bob Baker, a new coach from Royerton.

The Bucs started the season with a hard fought battle against heavily favored Anderson. The next game was also lost to New Castle, one of the N. C. C. threats.

In the third game the Pirates lost a last-second decision to an inspired Highland team. After these first three defeats, the Pirate fans began to lose interest in the team.

The squad then suffered consecutive defeats at the hands of Elwood, Alex., Noblesville, Indianapolis Howe, and Warren Central. This left only one final game with Greenfield. The experience of previous defeats made determination to win high among the members of the squad.

This last game victory proved that the experience gained in the previous contests was important. The Pirates can look forward with hope to the gridiron squad of next year.

The season opener against Markleville proved to be one of the most exciting games of the season with the Pirates winning 66-65. The victory was provided by Don Shipley's jump-shot with 3 seconds remaining. In the next two contests, the Bearcats and the Indians racked up impressive victories. The Pirates bounced back to snatch two in row over highly favored Noblesville, and over Highland. The latter win was again provided by a last second shot from Shipley.

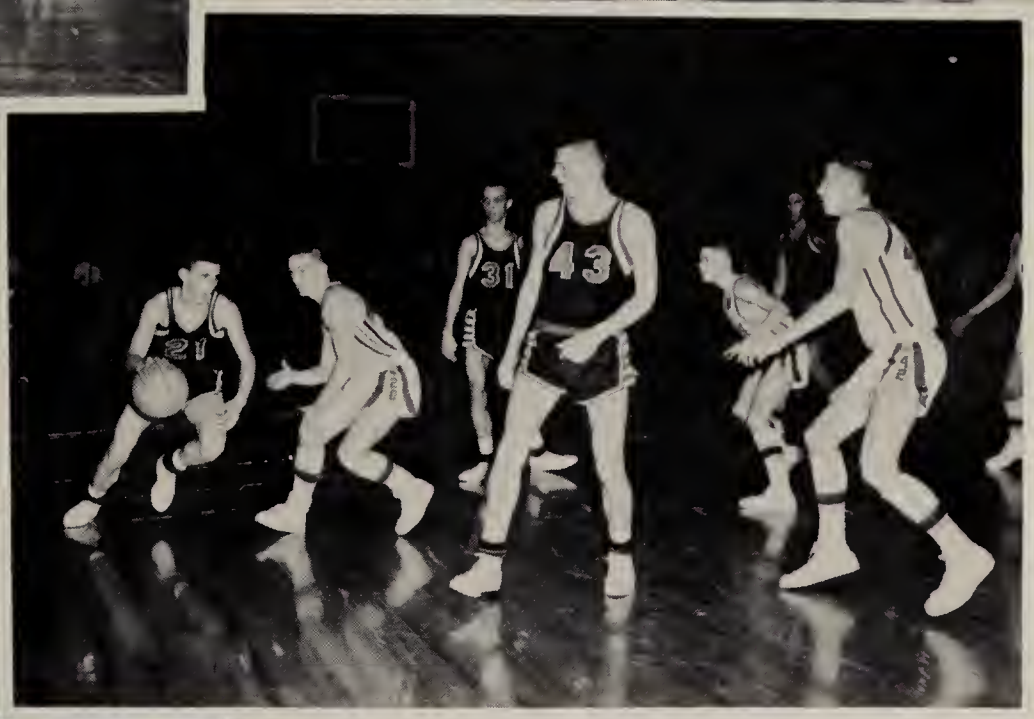
Alexandria and Lebanon proved too much for the Bucs as they romped to easy wins. The Pirates, evidently disturbed over the losses, upset an undefeated New Castle team 63-61. The next victim was the Frankton Eagles to the tune of 74-69. The Blue Devils of Shortridge enjoyed one of their better nights as they won 71-47. In the next game the Pendleton Irish came out on the short end as the Bucs won 64-63. The following six games were lost to Markleville, Shelbyville, Crawfordsville, Lapel, Manual, and Mancie Burris.

In the last home game the heavily favored North Central team found the Pirates to be too much for them as they lost 75-65. The season's finale went to Elwood 74-60.

Highland fans were saddened; Shipley had done it again!

"Shipley scores again."

"Hi!"



"Come around this way."

Shields displays the form which made him the team's second leading scorer.

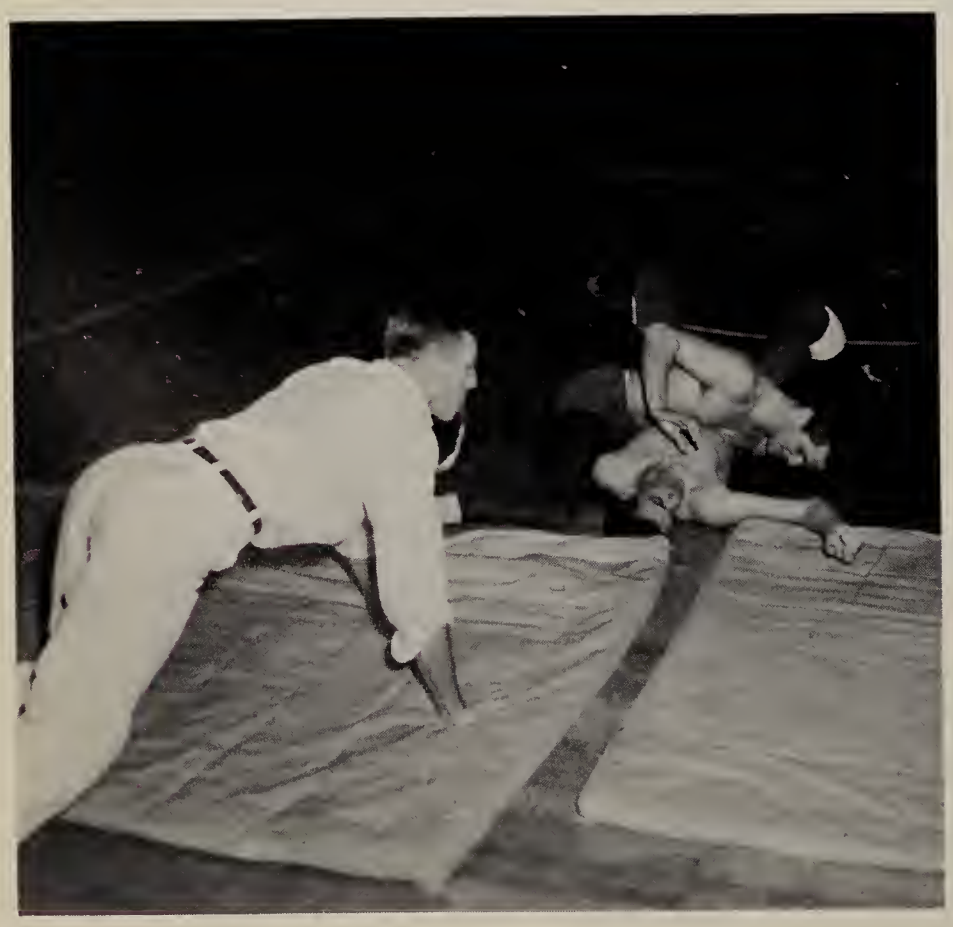
Bales, left, and Starrett, right, help the team in winning the New Castle match.



The varsity wrestling team, coached by John Dull, represented the best squad ever to be produced by the Pirates. The varsity was led by Ed Prather with a mark of 15 wins, 1 loss, and a tie. Next in line was Jack Henricks, beaten only once while crushing 8 opponents. Tom Sanford, wrestling heavyweight, received the trophy for the most pins.

Placing for Madison Heights in the Sectional Meet were Tom Sanford and Joe Wheat with seconds. They were followed by Ed Prather and Gene Little placing third, and Jerry Bragg getting a fourth.

The reserve team, directed by Ed Corazzi and Fred Lamb, went through their season undefeated with a mark of 9-0. Chuck Huntzinger, Bruce Blackwell, and Dave Dotson were all undefeated in reserve encounters.

Jim Jones and Marvin Gordon--
Cross-country coaches.

Tim Porter, key runner on the team, scored individual victories at all meets except one. He was closely followed by Steve Rybolt, who qualified for the state by a fourth place finish in the sectional.

A surprise standout was freshman Terry Dean Busby, who broke the school record for the mile and a half. Although five lettermen will be lost by graduation, things look just as bright for the next year.

The fleet-footed Bucs of Madison Heights, coached by Jim Jones, racked up an impressive record of six wins against only one defeat in regularly scheduled meets. The record, though one of the best in school history, could have been better if several lettermen had not received injuries at the start of the season, which hampered their performance in the succeeding meets.

The Madison Heights golf team of the 1960 season had a very good year. They lost only twice in match play, while winning nine. In tourney play the Madison Heights team placed second at Bloomington and 14th at La-Porte. The latter tourney was played in a driving rain storm.

In the match with Washington, Tom Ross fired an even par 71 to tie the school record. The Pirate linksman placed second in the sectional at Peru and went on to finish 5th in the state.

The Buc reserve team, as has been the custom for the past three years, went undefeated, winning six matches.

The members representing M. H. this year are four returning lettermen. These along with the members of the reserve squad give hope to another state championship.

THIS IS MADISON HEIGHTS...

Certainly sportsmanship, courtesy and fair play are part of it, but Madison Heights involves much more than this. It is many things; it is the fun of watching the "M" Club rise for one man at a high point in the game; it's the symmetry and grace of the cheerleaders in their bright sweaters as they invoke "Good Luck Team"; it's the pert movements of the Height Steppers; It's that quick gasp that ripples through an audience as the lights aim and the curtain rises on a class or Thespian play; it's the thrill of joining in "The Star Spangled Banner" at the beginning of each varsity game as the band strikes the opening chords; It's the beauty of the presentation of colors; it's the familiarity of Mr. Collier's or Mr. Redding's "Your attention, please"; it's the flutter of excitement in the staff room when the Friday edition of the "Jolly Roger" is hot off the press; it's those days of autographing the beautiful new Treasure Chest that has been so long in taking shape; it's the inspiration of the Christmas transparencies each year in the front windows and the glory of the lighted trees in the halls; it's the thrill of watching the crowning of the Homecoming Queen; it's that glow of satisfaction a teacher feels; it's the elation that flashed through the student body and the rooting section when the team takes to the floor or field; it's that indescribable feeling when the measured beat of "Pomp and Circumstance" for the last time precedes the changing of the tassel on the mortar board. It is many things. But whatever it is, it deserves our pride and love.
